To Whom It May Concern:

We hereby confirm that Mrs Anna Vetkina participated in Staff Mobility at Lodz University of Technology from 03 April 2017 to 09 April 2017.

She participated in meetings with student, academic staff, project staff, and administrative staff at the University and in tours of industrial plants. As an observer, she participated in academic classes the duration of which was 30 hours.

During the stay, all of the objectives of the mobility as specified in the Staff Mobility programme were fully accomplished.
